Certificate Validity

1 Year from date of assessment

Delivery hours

3 hours* usually over 1 days

Weeks to complete

This qualification can be completed over a maximum of 4 weeks

** this excludes any break/lunch times***Cohort**

12 learners per 1 trainer

About this qualification:

This qualification is for those that require additional training in basic life support and management of anaphylaxis. Many attendees are those working in environments that support children that may be at risk of severe allergic reactions, for example those working in nurseries and other early years settings. The qualification has also been designed as the perfect add-on to standard first aid courses such as the QNUK Level 3 Award in Paediatric First aid (RQF). Where this qualification is combined with another first aid course, the guided learning hours can be reduced, due to the range of similar subjects.

Cost per Cohort**£302.00 per 12 learners***That works out to £25.17 per learner!***Cost per Learner**

£50.33 per learner, min. 6 learners
